7. Target date to activate the system at the Normandy Gate is on Monday, May 4th. Once the system is running smoothly at the Normandy Gate, the other manned gates at Kings Point will be implemented.

Like any new major change, this will require your patience as it is a massive programming effort with links to several existing systems. However, you can help in the implementation if you are a resident by obtaining your Kings Point ID. All Residents and Lessees with a vehicle should purchase a barcode for easy access thru the gates.
